SB 203 Sectional Analysis

Section 1 – Amends AS 11.61.200(h)(1) *Misconduct Involving Weapons in the Third Degree* to expand the definition of "prohibited weapon." This section adds a new subparagraph (E) to include any device designed, made, or adapted to convert a handgun into a firearm capable of shooting more than one shot automatically, without manual reloading, by a single function of the trigger.

Section 2 – Establishes the applicability of the Act. This uncodified section specifies that the changes made by this Act apply only to offenses committed on or after the effective date of the Act.
