## FISCAL NOTE ANALYSIS

STATE OF ALASKA  
2026 LEGISLATIVE SESSION

BILL NO. HB 203

### Analysis

This bill amends the definition of “prohibited weapon” found in misconduct involving weapons in the third degree (class C felony) to include a “device designed, made or adapted to convert a handgun into a firearm that is capable of shooting more than one shot by a single function of the trigger.” Specifically, a person may not manufacture, possess, transport or sell a prohibited weapon unless it is done in accordance with the National Firearms Act. Also, a person who has been convicted of a felony may not reside in a dwelling where there is a prohibited weapon without prior written permission from the court or law enforcement agency.

It is unknown how many additional cases would be referred to the Criminal Division if this bill were to become law. The division submits a zero fiscal note at this time and will continue to monitor the impacts of this bill to determine whether additional resources may be needed in the future.
