**Subject:** Senate bill SB203  
**Date:** Thursday, February 12, 2026 12:18:23 PM

---

As a Alaska resident I am appalled to find out my state is trying to infringe on my second amendment rights, especially where bump stocks are legal to own. and any law against the second amend is an infringement of our rights. I urge you to vote no on SB203 as a registered voter in Alaska and resident this is an infringe on my second amendment rights.

Randall Leonard II
