

Sec. 29.45.030. Required exemptions.

(a) The following property is exempt from general taxation:

(1) municipal property, including property held by a public corporation of a municipality, state property, property of the University of Alaska, or land that is in the trust established by the Alaska Mental Health Enabling Act of 1956, P.L. 84-830, 70 Stat. 709, except that

(A) a private leasehold, contract, or other interest in the property is taxable to the extent of the interest; however, an interest created by a nonexclusive use agreement between the Alaska Industrial Development and Export Authority and a user of an integrated transportation and port facility owned by the authority and initially placed in service before January 1, 1999, is taxable only to the extent of, and for the value associated with, those specific improvements used for lodging purposes;

(B) notwithstanding any other provision of law, property acquired by an agency, corporation, or other entity of the state through foreclosure or deed in lieu of foreclosure and retained as an investment of a state entity is taxable; this subparagraph does not apply to federal land granted to the University of Alaska under AS 14.40.380 or 14.40.390, or to other land granted to the university by the state to replace land that had been granted under AS 14.40.380 or 14.40.390, or to land conveyed by the state to the university under AS 14.40.365;

(C) an ownership interest of a municipality in real property located outside the municipality acquired after December 31, 1990, is taxable by another municipality; however, a borough may not tax an interest in real property located in the borough and owned by a city in that borough;

(2) household furniture and personal effects of members of a household;

(3) property used exclusively for nonprofit religious, charitable, cemetery, hospital, or educational purposes;

(4) property of a nonbusiness organization composed entirely of persons with 90 days or more of active service in the armed forces of the United States whose conditions of service and separation were other than dishonorable, or the property of an auxiliary of that organization;

(5) money on deposit;

(6) the real property of certain residents of the state to the extent and subject to the conditions provided in (e) of this section;

(7) real property or an interest in real property that is exempt from taxation under 43 U.S.C. 1620(d), as amended;

(8) property of a political subdivision, agency, corporation, or other entity of the United States to the extent required by federal law; except that a private leasehold, contract, or other interest in the property is taxable to the extent of that interest unless the property is located on a

military base or installation and the property interest is created under 10 U.S.C. 2871 - 2885 (Military Housing Privatization Initiative), provided that the leaseholder enters into an agreement to make a payment in lieu of taxes to the political subdivision that has taxing authority;

(9) natural resources in place including coal, ore bodies, mineral deposits, and other proven and unproven deposits of valuable materials laid down by natural processes, unharvested aquatic plants and animals, and timber;

(10) property not exempt under (3) of this subsection that

(A) is owned by a private, nonprofit college or university that is accredited by a regional or national accrediting agency recognized by the Council for Higher Education Accreditation or the United States Department of Education, or both; and

(B) was subject to a private leasehold, contract, or other private interest on January 1, 2010, except that a holder of a private leasehold, contract, or other interest in the property shall be taxed to the extent of that interest.

(b) In (a) of this section, "property used exclusively for religious purposes" includes the following property owned by a religious organization:

(1) the residence of an educator in a private religious or parochial school or a bishop, pastor, priest, rabbi, minister, or religious order of a recognized religious organization; for purposes of this paragraph, "minister" means an individual who is

(A) ordained, commissioned, or licensed as a minister according to standards of the religious organization for its ministers; and

(B) employed by the religious organization to carry out a ministry of that religious organization;

(2) a structure, its furniture, and its fixtures used solely for public worship, charitable purposes, religious administrative offices, religious education, or a nonprofit hospital;

(3) lots required by local ordinance for parking near a structure defined in (2) of this subsection.

(c) Property described in (a)(3) or (4) of this section from which income is derived is exempt only if that income is solely from use of the property by nonprofit religious, charitable, hospital, or educational groups. If used by nonprofit educational groups, the property is exempt only if used exclusively for classroom space.

(d) Laws exempting certain property from execution under AS 09 (Code of Civil Procedure) do not exempt the property from taxes levied and collected by municipalities.

(e) The real property owned and occupied as the primary residence and permanent place of abode by a resident who is (1) 65 years of age or older; (2) a disabled veteran; or (3) at least 60 years of age and the widow or widower of a person who qualified for an exemption under (1) or (2) of this subsection is exempt from taxation on the first \$150,000 of the assessed value of the real property. A municipality may by ordinance approved by the voters grant the exemption under this subsection to the widow or widower under 60 years of age of a person who qualified for an exemption under (2) of this subsection. A municipality may, in case of hardship, provide for exemption beyond the first \$150,000 of assessed value in accordance with regulations of the department. Only one exemption may be granted for the same property, and, if two or more persons are eligible for an exemption for the same property, the parties shall decide between or among themselves who is to receive the benefit of the exemption. Real property may not be exempted under this subsection if the assessor determines, after notice and hearing to the parties, that the property was conveyed to the applicant primarily for the purpose of obtaining the exemption. The determination of the assessor may be appealed under [AS 44.62.560](#) - 44.62.570.

(f) To be eligible for an exemption under (e) of this section for a year, a municipality may by ordinance require that an individual also meet requirements under one of the following paragraphs: (1) the individual shall be eligible for a permanent fund dividend under AS 43.23.005 for that same year or for the immediately preceding year; or (2) if the individual has not applied or does not apply for one or both of the permanent fund dividends, the individual would have been eligible for one of the permanent fund dividends identified in (1) of this subsection had the individual applied. An exemption may not be granted under (e) of this section except upon written application for the exemption. Each municipality shall, by ordinance, establish procedures and deadlines for filing the application. The governing body of the municipality for good cause shown may waive the claimant's failure to make timely application for exemption and authorize the assessor to accept the application as if timely filed. If an application is filed within the required time and is approved by the assessor, the assessor shall allow an exemption in accordance with the provisions of (e) of this section. If the application for exemption is approved after taxes have been paid, the amount of tax that the claimant has already paid for the property exempted shall be refunded to the claimant. The assessor shall require proof in the form the assessor considers necessary of the right to and amount of an exemption claimed under (e) of this section, and shall require a disabled veteran claiming an exemption under (e) of this section to provide evidence of the disability rating. The assessor may require proof under this subsection at any time.

(g) The state shall reimburse a borough or city, as appropriate, for the real property tax revenues lost to it by the operation of (e) of this section. However, reimbursement may be made to a municipality for revenue lost to it only to the extent that the loss exceeds an exemption that was granted by the municipality, or that on proper application by an individual would have been granted under AS 29.45.050(a). If appropriations are not sufficient to fully fund reimbursements under this subsection, the amount available shall be distributed pro rata among eligible municipalities.

(h) Except as provided in (g) of this section, nothing in (e) - (j) of this section affects similar exemptions from property taxes granted by a municipality on September 10, 1972, or prevents a municipality from granting similar exemptions by ordinance as provided in [AS 29.45.050](#).

(i) In (e) - (i) of this section,

(1) "disabled veteran" means a disabled person

(A) separated from the military service of the United States under a condition that is not dishonorable who is a resident of the state, whose disability was incurred or aggravated in the line of duty in the military service of the United States, and whose disability has been rated as 50 percent or more by the branch of service in which that person served or by the United States Department of Veterans Affairs; or

(B) who served in the Alaska Territorial Guard, who is a resident of the state, whose disability was incurred or aggravated in the line of duty while serving in the Alaska Territorial Guard, and whose disability has been rated as 50 percent or more;

(2) "real property" includes but is not limited to mobile homes, whether classified as real or personal property for municipal tax purposes.

(j) One motor vehicle per household owned by a resident 65 years of age or older on January 1 of the assessment year is exempt either from taxation on its assessed value or from the registration tax under [AS 28.10.431](#). An exemption may be granted under this subsection only upon written application on a form prescribed by the Department of Administration.

(k) The department shall adopt regulations to implement the provisions of (g) and (j) of this section.

(l) Two percent of the assessed value of a structure is exempt from taxation if the structure contains a fire protection system approved under [AS 18.70.081](#), in operating condition, and incorporated as a fixture or part of the structure. The exemption granted by this subsection is limited to

(1) an amount equal to two percent of the value of the structure based on the assessment for 1981, if the fire protection system is a fixture of the structure on January 1, 1981; or

(2) an amount equal to two percent of the value of the structure based on the assessment as of January 1 of the year immediately following the installation of the fire protection system if the fire protection system becomes a fixture of the structure after January 1, 1981.

(m) For the purpose of determining property exempt under (a)(7)(A) of this section, the following definitions apply to terms used in 43 U.S.C. 1620(d) unless superseded by applicable federal law, and for the purpose of determining property exempt under (a)(7)(B) of this section, the following definitions apply:

(1) "developed" means a purposeful modification of the property from its original state that effectuates a condition of gainful and productive present use without further substantial modification; surveying, construction of roads, providing utilities or other similar actions normally considered to be component parts of the development process, but that do not create the

condition described in this paragraph, do not constitute a developed state within the meaning of this paragraph; developed property, in order to remove the exemption, must be developed for purposes other than exploration, and be limited to the smallest practicable tract of the property actually used in the developed state;

(2) "exploration" means the examination and investigation of undeveloped land to determine the existence of subsurface nonrenewable resources;

(3) "lease" means a grant of primary possession entered into for gainful purposes with a determinable fee remaining in the hands of the grantor; with respect to a lease that conveys rights of exploration and development, this exemption shall continue with respect to that portion of the leased tract that is used solely for the purpose of exploration.

(n) If property or an interest in property that is determined not to be exempt under (a)(7) of this section reverts to an undeveloped state, or if the lease is terminated, the exemption shall be granted, subject to the provisions of (a)(7) and (m) of this section.
