Dear Chairman Johnson and Committee members,

United Fishermen of Alaska supports HJR 19, calling for an escort of at least two vessels accompanying loaded oil tankers in Prince William Sound, whether single-hulled or double-hulled. While the use of double hulled tankers offers some level of protection, the risk that oil tanker traffic brings against the value of Alaska's fisheries calls for the highest level of preventive protection that can be attained. With Alaska's coastal weather, tidal currents, and natural navigational hazards, the presence of a second escort vessel is required in order to safely control a large tanker vessel should a loss of power occur, to avoid a repeat of a preventable disaster.

UFA represents 37 Alaska commercial fishing organizations from fisheries throughout the state and its offshore waters, altogether representing more than half of U.S. domestic seafood production. We ask for your support of HJR 19 to best help prevent another tragedy to Alaska's fisheries.

Sincerely,

Mark Vinsel
Executive Director
