ANALYSIS: (Attach a separate page if necessary)

This legislation proposes to allow municipalities to partially or totally exempt from landfill fees the cost of disposing of waste materials from work done to rehabilitate deteriorated properties. A municipal refuse utility that provides landfill service must receive a certificate of public convenience and necessity from the Regulatory Commission of Alaska (RCA), but is (subject to specified exceptions) exempt from economic regulation by the RCA (AS 42.05.711(b)). This bill would not pose to a fiscal impact to the department.
