## ANALYSIS: (Attach a separate page if necessary)

The intent of SB 105 is to address the educational, medical, financial, and housing challenges that face youth as they transition out of foster care and to support those care providers that are willing to help them during that period of transition.

The Office of Children's Services Online Resource for the Children of Alaska (ORCA) data base is mandated by the federal government and must be continuously updated to reflect changes in both state and federal law and policy. The following provides the estimated cost of ORCA updates that will be required to implement this bill.
