* The term "Tax Freedom Day," was coined and popularized by the nonpartisan, Washington, D.C. -based Tax Foundation. As the Tax Foundation has explained, it is "the day when Americans . . . finally have earned enough money to pay off their total [federal, state and local] tax bill for the year." (For simplicity's sake, the Tax Foundation assumes an equal amount of income is earned every day, and does not distinguish weekdays from weekends.)
