Juneau AK 99801-1182

Dear Representative Johansen:

On behalf of the Alaska Peace Officers Association (APOA), I would like to thank you for introducing HB 327, an act relating to the scheduling and rescheduling of certain substances as controlled substances and to the sale of products containing dextromethorphan.

The APOA Executive Board's Legislative Committee recently reviewed this proposed legislation and decided to unanimously support this bill.

We thank you for addressing this issue. Please contact the APOA office in Anchorage at 277-0515, if there is anything our organization can do to assist in the passage of this bill.

Sincerely,

John Lucking, Jr.
State President
