Sec. 37.10.430. Management of the budget reserve fund.

(a) The Department of Revenue may transfer management responsibility over all or a portion of the budget reserve fund (art. IX, sec. 17, Constitution of the State of Alaska) to the Alaska Permanent Fund Corporation.

(b) By March 15 of each year, the Department of Revenue shall, after consulting with the Alaska Permanent Fund Corporation, prepare a report setting out the balance in the budget reserve fund (art. IX, sec. 17, Constitution of the State of Alaska) on January 1 and on December 31 of the previous calendar year. The report shall state the nominal, real, and realized return on the budget reserve fund compared to the nominal, real, and realized return on the permanent fund and the general fund during the previous calendar year.

(c) A special subaccount is established in the budget reserve fund (art. IX, sec. 17, Constitution of the State of Alaska). Money in the subaccount shall be invested to yield higher returns than might be feasible to obtain with other money in the budget reserve fund. In establishing or modifying the investment policy for the subaccount in the constitutional budget reserve fund, the commissioner of revenue shall assume that those funds will not be needed for at least five years. Income earned on money in the subaccount shall be retained in the subaccount by the department.
