ANALYSIS: (Attach a separate page if necessary)

HB 408 proposes amendments to the law relating to misconduct involving weapons in the third degree. It changes the affirmative defense, for example, to the crime of a felon in possession of a concealable weapon. Under current law it is an affirmative defense to this charge if the person had received a pardon, the conviction was set aside, or 10 years had elapsed from the felony conviction and the felony conviction was not a crime against a person. The bill would provide that the crime of felon in possession of a concealable weapon would not apply to these persons, rather than that the circumstances give rise to an affirmative defense. Enactment of the bill is not anticipated to fiscally impact the Department of Law.
