

# ALASKA STATE LEGISLATURE

## MAT-SU VALLEY DELEGATION

March 1, 2010

Representative Peggy Wilson  
Chair, House Transportation Committee

Re: House Bill 226 -- Naming Veterans' Way in Mat-Su

Dear Representative Wilson:

As members of the Mat-Su delegation, we urge you to schedule HB 226 legislation establishing Veterans' Way in the Mat-Su Borough. The heroic service of Alaskan veterans is recognized in this bill, which renames the collective corridor of Seldon Road and a segment of Bogard Road to "Veterans' Way," while maintaining the individual road names. This is an excellent opportunity for the State of Alaska to pay tribute to the multitude of Alaskans who have served in the armed forces in defense of our liberties. We express our deepest thanks to the men and women who have selflessly put themselves at risk in the service of our country, and ask for the scheduling and favorable consideration of this legislation as a sign of our gratitude and respect to Alaskan veterans.

Respectfully,

*Bill Stalp*

*Mark Hanna*

*Wes Heller*

*C R Huggins*

*Carl Otto*

*Linda H. Enard*

I talked with Janet from your office a bit and understand that you are working on a draft bill to designate the Bogard-Seldon Corridor as Veteran's Way. We at the Borough have been discussing this since last year and think that this name would be appropriate in regard to completely re-naming the road corridor. It would make giving directions much easier in that you would no longer have to say, "travel up Arctic Avenue for X distance until it turns into Bogard Extension, then travel X distance until it becomes Colony Way, then travel X distance until it becomes Bogard Road, then travel X distance until it becomes Seldon Road, then travel X distance until it becomes Beverly Lakes Road.

Let me know what we can provide that would be helpful to you in supporting the name change. We may be able to provide a resolution from the MSB Transportation Advisory Board, Planning Commission or Assembly. I also talked to the Community Transportation Coalition (with representatives from Palmer and Wasilla present) about this and they are also willing to provide a resolution.

*Brad Sworts*

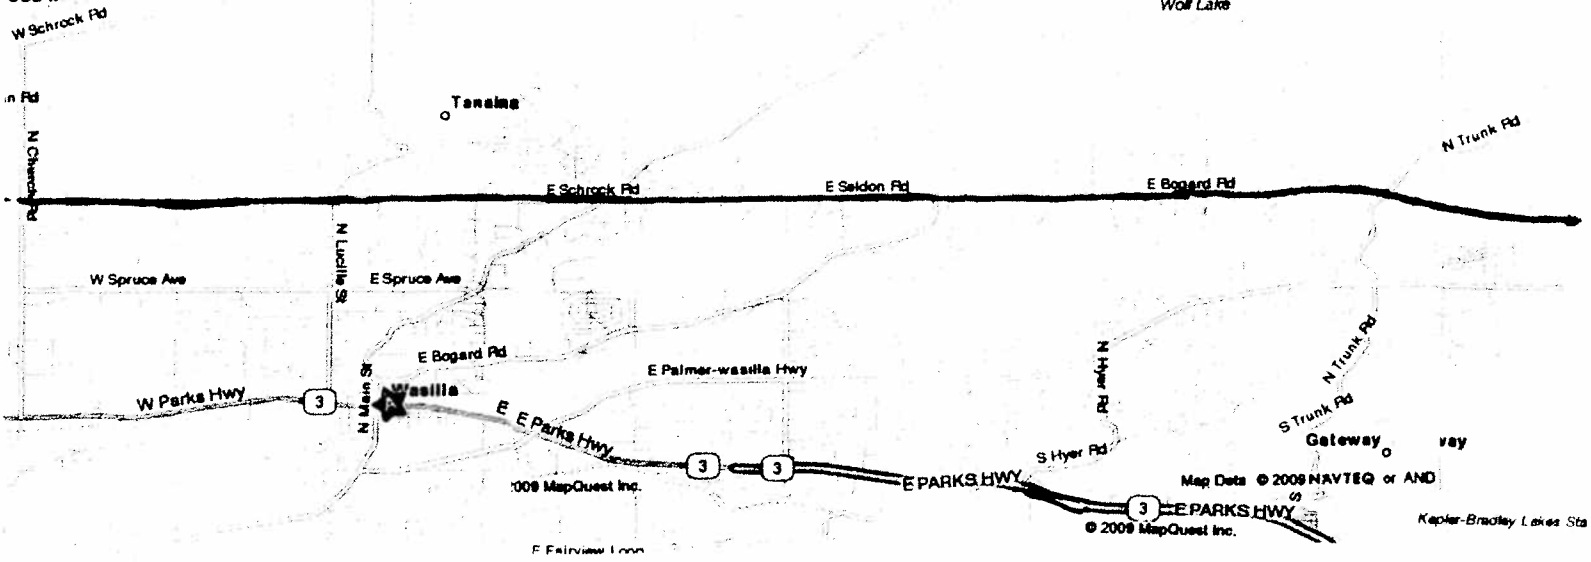

*MSB Planning, Transportation & Environmental Division Manager*

*Phone: (907) 746-7430*

*Fax: (907) 745-9876*

## Valley Veterans For "Veterans Way"

Thank you for taking the time to read our petition. The purpose of this committee is to obtain your support in renaming one of the most confusing roadways located in the Wasilla/Palmer area. Some know it as Seldon or Bogard or a variation of those two names. Sometime in the next two years the Borough and the State will extend this roadway from Colony Schools drive down Colony way crossing the intersection of 49<sup>th</sup> state street near Colony High School. This roadway will continue on to Arctic Avenue near Palmer High school providing an alternate route for all valley residents who might normally use the Palmer/Wasilla Highway. The completion of this bypass is a much needed alternative to the Palmer Wasilla highway. This will help alleviate congestion and provide an alternate route for traffic whenever there is emergency shutdowns. We propose to name the thoroughfare from Palmer to Church Road "**Veterans Way**" in honor of all of those who have served our nation. The roadway currently has over 6 names for all of the different segments, Bogard, Bogard extension, Seldon, Seldon extension, Colony Schools drive, Colony way, and Arctic Avenue. We hope that you will support our efforts by signing our petition to show support for all of our valley, state and nations veterans. Please sign the line below to attest to your support of the road name "Veterans Way" Also by signing please share this idea with 3 friends or co-workers to get the word out

## Valley Veterans For "Veterans Way"

Thank you for taking the time to read our petition. The purpose of this committee is to obtain your support in renaming one of the most confusing roadways located in the Wasilla/Palmer area. Some know it as Seldon or Bogard or a variation of those two names. Sometime in the next two years the Borough and the State will extend this roadway from Colony Schools drive down Colony way crossing the intersection of 49<sup>th</sup> state street near Colony High School. This roadway will continue on to Arctic Avenue near Palmer High school providing an alternate route for all valley residents who might normally use the Palmer/Wasilla Highway. The completion of this bypass is a much needed alternative to the Palmer Wasilla highway. This will help alleviate congestion and provide an alternate route for traffic whenever there is emergency shutdowns. We propose to name the thoroughfare from Palmer to Church Road "Veterans Way" in honor of all of those who have served our nation. The roadway currently has over 6 names for all of the different segments, Bogard, Bogard extension, Seldon, Seldon extension, Colony Schools drive, Colony way, and Arctic Avenue. We hope that you will support our efforts by signing our petition to show support for all of our valley, state and nations veterans. Please sign the line below to attest to your support of the road name "Veterans Way" Also by signing please share this idea with 3 friends or co-workers to get the word out
