ANALYSIS: (Attach a separate page if neces

HB050 establishes limitations on overtime for Registered Nurses (RNs) in health care facilities, provides penalties for violations, and requires reporting of any overtime, with the overtime designated as voluntary or mandatory by the RN. The intent of HB050 is to eliminate mandatory overtime for RNs unless the overtime is due to a grave and unforeseen event. Under the bill, use of mandatory overtime in excess of the bill's limitations will result in a report to the Department of Labor.

The division has determined that passage of this bill will have a zero fiscal impact. The option that API will pursue to replace its current policy requiring mandatory overtime is to add two registered psych nurses and develop, in

conjunction with the Department of Administration, Division of Personnel and Labor Relations, a voluntary standby system of employment that would replicate a private sector "on call" system. Any additional costs associated with the positions and "on-call" system will be offset by the cost savings from reduced overtime payment.
