Summary of Changes

CH for HB 381 (JUD) Self Defense

The current form of HB 381 has a narrowed focus that only addresses the requirement to retreat when threatened with specific crimes.

The Judiciary CS removed all sections except for two lines that stated there was no duty to leave the area of a threat if a person had a right to be there.

This change was made to make the bill narrow in its effect and scope allowing for adequate discussion during the remaining legislative session.

Specific changes to the original bill text are as follows:

Page 2, lines 3-4, deleted.

Section 2, deleted.

Section 1, subsection 6, renumbered as section 1, subsection 5.
