## MEMORANDUM

April 6, 2010

**SUBJECT:** Energy and transmission corporations; drafting issues  
(CSHB 182( ), Work Order No. 26-GH1041\P)

**TO:** Representative Charisse Millett  
Co-Chair of the House Special Committee on Energy  
Attn: Jeff Turner

**FROM:** Dennis C. Bailey   
Legislative Counsel

This memorandum accompanies the CS requested. Please note the following issues that have arisen during drafting.

The phrase added to AS 42.50.090(24) creates an ambiguity. Do you intend that the operating standards developed by the board and approved by the RCA be applicable to all public utilities?

In the time allotted, I am unable to provide a substantive legal review of the subsection relating to the pledge of the state.

If I may be of further assistance, please advise.
