

Alaska State Legislature

Please enter into the record my testimony to the FINANCE
Committee name
Committee on HB 381, dated 29 MAR 2010
Bill/Subject

I Fully support This bill.
no Americans should be required by LAW
TO retreat FROM AN Aggressor. Anyone
who THINKS otherwise is a traitor, and a
coward. As For The Poppycock issued
by The Dept. of LAW, where They claim increased
COSTS, more trials, and needing more LAWYERS,
maybe They should QUIT WASTING TIME
& \$ on plea deals, and just do Their
Jobs? Were it up TO me, They would
have LESS LAWYERS, STARTING WITH ANNIE
CARPENTER.
