ANALYSIS: (Attach a separate page if necessary)

SB 244 establishing Juneau as the governor's duty station, and prohibiting the payment of a lodging allowance when a governor stays in their personal residence at another location, has no fiscal impact on the Office of the Governor. Travel allowances paid to a governor are based on allowable payments set out in the Administration Manual. The Administration Manual provides for payment of "actual lodging expenses", and a miscellaneous meal and expense allowance. As there are no lodging costs when staying in a personal residence, there is no lodging allowance paid.
