FISCAL NOTE #6

STATE OF ALASKA
2011 LEGISLATIVE SESSION

BILL NO. SB 42

Analysis

This legislation allows the Alaska Energy Authority (AEA) to have employees. The impact to AEA Owned Facilities component is a reduction in contractual costs of employee services for an estimated 15% of one engineer position funded by AEA Corporate receipts. Costs are transferred to the Statewide component personal services. Please see the fiscal note analysis for the AEA Statewide Project Development, Alternative Energy and Efficiency component (FN 1 of 2) for more detail.
