BILL NO. SSSB082

### Analysis:

SSB082 has zero fiscal impact on DHSS. This bill addresses permanent planning for children in custody under "Another Planned, Permanent Living Arrangement (APPLA)"; modifies licensing procedures; outlines court requirements for release or termination of custody by the courts; outlines "compelling reason" standards for youth with APPLA permanency goals; provides a provision to support placement of siblings into the same foster home; and establishes a requirement that the Department will enroll children 6 years of age and younger into a "reading enhancement program" where available. No additional costs are anticipated.
