BILL NO. HB367

Analysis

AS 12.55.155(d) allows a sentencing court to impose a sentence less than the presumptive range where mitigating factors have been proven. This bill amends AS 12.55.155(d) by adding section 20, which allows the court to find a factor of mitigation where the defendant committed the offense while affected by fetal alcohol spectrum disorder.

The Public Defender Agency does not anticipate a fiscal impact from this change. Accordingly, the Agency submits a zero fiscal note.
