**FISCAL NOTE #3**

**STATE OF ALASKA  
2011 LEGISLATIVE SESSION**

**BILL NO. HB 150**

**Analysis**

This bill adds a 20-day and six-month ex parte process for financial fraud, and a temporary conservatorship process when the need exists during the pendency of a regular petition for conservatorship. The bill also expands the list of mandatory reporters of harm to a vulnerable adult, adds the harm of undue influence, and expands the investigative powers of the Office of Adult Protective Services, including the authority to seek an ex parte order for access to a vulnerable adult or records regarding an adult. The bill also amends the crime of violating a protective order by adding the crime of violating a protective order issued to protect a vulnerable adult under AS 13.26.180 or 13.26.209. Violating a protective order is a class A misdemeanor.

There is no anticipated fiscal impact to Department of Law.
