FISCAL NOTE

STATE OF ALASKA
2011 LEGISLATIVE SESSION

BILL NO. HB088 \M

Analysis

This bill is designed to protect the rights of citizens of Alaska from the application of foreign law if the application would violate the individual's right guaranteed by the Alaska Constitution or the United States Constitution. Since this is a new legal standard for the court to apply, the Department of Law cannot estimate how many cases the state or state agencies may be named. The new legal standard would likely involve interpretation of federal treaties and the applications of those treaties on states by federal law.

The fiscal impact of this legislation cannot be accurately determined at this time.
