## FISCAL NOTE

STATE OF ALASKA  
2011 LEGISLATIVE SESSION

BILL NO. HB087

### Analysis

HB 87 will amend Alaska's antitrust statute to increase the criminal penalty for violating the statute from a misdemeanor to a class C felony, and increase the criminal fines from \$20,000 to \$1 million for a natural person, and from \$50,000 to \$50 million if not a natural person. It will also add a new section that allows the attorney general to bring a civil action for antitrust violations, and seek the same amounts in civil penalties.

There will be no fiscal impacts to the Department of Law.
