HB 106 Letter of Intent

It is the intent of the Legislature that the changes made to the Alaska Coastal Management Program under HB 106 will increase the ability of Alaska Coastal Districts and Coastal Resource Service Areas to draft strong Coastal District Plans and increase the number of enforceable policies that will be approvable by the State of Alaska Department of Natural Resources. It is the intent of the Legislature that these changes will allow the Alaska Coastal Management Program to meet the concerns of coastal residents while developing Alaska's diverse coastal resources.
