3	It is the intent of the legislature that the Department of Commerce, Community and Economic		
4	Development eliminate the requirement for narrative and financial quarterly reporting for any		
5	grant of \$50,000 or less. It is further intended that the department make a single upfront		
6	payment for any grant of \$50,000 or less, conditioned on the department first receiving a		
7	signed certification from the recipient agreeing to use the full grant amount for its intended		
8	purpose, to return all unexpended funds to the state for deposit in the general fund upon		
9	project completion, and to follow all other terms of the departments grant agreement.

18	It is the intent of the legislature that the Department of Commerce, Community and Economic			
19	Development eliminate the requirement for narrative and financial quarterly reporting for any			
20	grant of \$50,000 or less. It is further intended that the department make a single upfront			
21	payment for any grant of \$50,000 or less, conditioned on the department first receiving a			
22	signed certification from the recipient agreeing to use the full grant amount for its intended			
23	purpose, to return all unexpended funds to the state for deposit in the general fund upon			
24	project completion, and to follow all other terms of the departments grant agreement.

\* **Sec. 4.** The following appropriation items are for capital projects and grants from the general fund or other funds as set out in section 5 of this Act by funding source to the agencies named for the purposes expressed and lapse under AS 37.25.020, unless otherwise noted.

It is the intent of the legislature that the following appropriations and projects are needed to carry out the state's energy policy described in AS 44.99.115. As the energy policy states, the legislature recognizes the immense diversity of the state's geography, cultures, and resource availability and the need to identify and assist with development of the most cost-effective, long-term sources of energy for each community statewide. Therefore, the legislature intends that the package of appropriations and projects listed below are all necessary to achieve a statewide balance in addressing the state's diverse energy needs.
