## FISCAL NOTE

STATE OF ALASKA  
2012 LEGISLATIVE SESSION

BILL NO. HB 235

### Analysis

This bill amends Alaska's Auto Dealer Act to clarify certain provisions dealing with advertising of motor vehicles and when dealer fees are allowed. The Bill clarifies what the manufacturer's suggested retail price must include, and amends provisions that define an advertised price. A new section is added that will allow dealers the ability to run price comparison ads for used vehicles, and offer "free" merchandise with the purchase of a vehicle. The bill also addresses some other technical changes that will streamline some motor vehicle transactions. There should be no fiscal impact to the Department from this bill.
