## FISCAL NOTE

STATE OF ALASKA  
2012 LEGISLATIVE SESSION

BILL NO. HB 264

### Analysis

HB 264 authorizes municipalities to adopt by ordinance a program to defer tax payments on certain newly subdivided properties.

This legislation allows for a deferral – up to five years, not an exemption from property taxes. It seeks to ease the short term cost of subdivision and development of properties, which could provide an incentive for local development and result in a net increase in property values. The property tax that is deferred is the portion attributable to the increase in assessed value.

There would be no fiscal impact to the Department if this legislation was enacted.
