**BILL NO.** SB055

**Analysis**

This bill would provide mental health patients with a grievance process concerning patient treatment, care or rights. The process would include a right to an administrative appeal heard on behalf of the Commissioner of Health and Social Services by the Office of Administrative Hearings (OAH). OAH does not anticipate that addition of this licensure category would increase the office's caseload beyond OAH's capacity to provide the hearing-related services with existing authorized personnel. The cost to OAH of performing the services would be recovered from the Department of Health and Social Services through interagency receipts, based on the time commitment required for the necessary proceedings.
