## FISCAL NOTE

STATE OF ALASKA  
2012 LEGISLATIVE SESSION

BILL NO. HB 332

### Analysis

This bill establishes an endowment fund with the purpose of funding research and restoration projects for Chinook salmon stocks located in the state. Earnings from the fund may be used for block grants to Alaska organizations for projects, as matching funds for private and federal grants, and to reimburse the Departments of Revenue and Commerce for costs associated with program administration.

The bill also establishes a seven member board consisting of the Commissioner of Fish and Game and six public members from various regions of the state.

The Department of Commerce, Community, and Economic Development is responsible for administration of the board and disbursement of funds through grants or reimbursements. The Department will be required to adopt regulations enacting a block grant program outlined in the bill.

Travel includes costs for seven board members for two face to face meetings per year at \$14.0, department staff board support and grant monitoring visits at \$12.5 per year

Services costs includes board teleconferences at \$1.5.

Commodities costs include preparing and publishing the public notice for the regulations one-time (\$1.0), and preparing applications solicitations and reports on a yearly basis (\$0.5).
