FISCAL NOTE #1

**STATE OF ALASKA
2011 LEGISLATIVE SESSION**

BILL NO. HB 127

Analysis

This bill expands the crime of stalking by adding to the definition of nonconsensual contact, monitoring the victim with a GPS device and using or installing a device to record or photograph events concerning the victim. It also increases penalties for unlawful exploitation of a minor, online enticement of a minor, and provides for the prosecution of offenders from out of state. Finally, this bill adopts new offenses to include: sending explicit images of a minor, and misconduct involving confidential information.

Passage of this legislation will have no fiscal impact on the department.
