Sponsor Statement

Alaska Statutes already recognize that we have a right to use deadly force to protect our family, person, and property. HB 80 further clarifies that right exists not only in our home but also in any place that we have a right to be.

This legislation clarifies the individual's right to stand their ground and not second guess the consequence of protecting their family or self.

HB 80 strengthens the legal recognition of a basic human right to defend oneself by sending a message to the Judiciary and Law Enforcement that it is the criminal who has the duty to retreat.
