

Alaska Middle College School

Program Information

- ♦ Educational partnership between Matanuska-Susitna Borough School District (MSBSD) and UAA
- ♦ Designed to allow a fully college-ready junior to complete at least 48 credit hours towards an Associate of Arts
- ♦ New MSBSD school site located at the UAA Chugiak-Eagle River Campus
- ♦ High school courses and instruction led by two dual-certified, highly-qualified district teachers
- ♦ College courses taught by term and adjunct faculty approved by appropriate departments

Why Dual Enrollment?

- ♦ Model has track record of success; Replicable statewide
- ♦ College-capable students taught at their academic level; All students benefit from exposure to college norms and expectations
