FISCAL NOTE ANALYSIS

STATE OF ALASKA
2014 LEGISLATIVE SESSION

BILL NO. HB241

Analysis

HB241 extends the existing Board of Marital & Family Therapy (BMFT) through June 30, 2018. Adoption of the bill will continue existing activities by the board. Failure to adopt the bill will result in a one-year wind-down of the board, and the division will assume all licensing responsibility in FY2016.

Extension of the BMFT will require travel for board members and one staff to attend four board meetings per year and for board member participation in an annual out of state professional conference (\$6.6). Service costs include conference registrations (\$1.0) and advertising of board meetings (\$0.1). These estimated costs are based on the average board specific direct charges to this program over the previous biennium licensing cycle.

If the BMFT is not extended, the Marital & Family Therapy licensing will continue under the direction of the division, rather than the board. Costs associated with licensing the profession will continue to be incurred by the division including license examiners, investigations, legal, supplies, and allocated administrative support services. These on-going licensing costs are not reflected in this fiscal note because their incurrence is not impacted by the legislation.
