## ASSOCIATED REGULATIONS

Does the bill direct, or will the bill result in, regulation changes adopted by your agency? No  
If yes, by what date are the regulations to be adopted, amended or repealed?

## Why this fiscal note differs from previous version:

**SUPPLEMENTAL PORTION:** The supplemental request to capitalize the Large Diameter Pipeline Fund with \$83,714.0 UGF is informational only and requires a separate appropriation. Once in the fund, money can be spent without further appropriation. Approximately \$700.0 would be used for FY14 operating costs associated with the Alaska Gasline Development Corp (AGDC) involvement to advance the Large Diameter Natural Gas Pipeline Project (AKLNG).

FY15-FY20 operating expenses from this fund and included in all associated fiscal notes total \$8 million. Separate fiscal notes prepared by the Departments of Revenue and Natural Resources use \$18.7 million of unrestricted general funds.
