Component Budget Summary**

Component: Anchorage State Office Building

Contribution to Department's Mission

See AHFC's mission.

Core Services

- This component is established under AHFC to utilize a portion of the income and revenues from the building towards the annual operational costs of the Anchorage Atwood State Office Building. Funds approved will be transferred (RSA'd) to the Department of Administration as part of their budget request for the Division of General Services.

Major Component Accomplishments in 2013

Administered by the Department of Administration, Division of General Services.

Key Component Challenges

During the years with non-state tenants, income from non-state tenants will be used to fund the cost of building operations. In later years all building operating costs will be borne by state tenants.

Significant Changes in Results to be Delivered in FY2015

The Department of Administration (DOA), as agreed in its lease with AHFC, allocates the operating expenses for the Anchorage State Office Building - Atwood Building. AHFC reimburses DOA for the portion of maintenance costs related to the private sector leases. As the private tenant leases expire, state agencies take possession of the space. As more state agencies move into the building, more operating costs are allocated by DOA to the agencies, and fewer expenses are billed to AHFC for the reduced private lease space.
