FISCAL NOTE ANALYSIS

STATE OF ALASKA 2014 LEGISLATIVE SESSION

BILL	NO.	HB230
------	-----	-------

mila	lvsis

HB230 establishes the Oil and Gas Infrastructure Fund in the Alaska Industrial Development and Export Authority (AIDEA). The fund will support the AIDEA's work by providing a new fund to assist in financing oil and gas processing facilities on the North Slope. The bill will allow AIDEA to issue up to \$200 million in bonds to fund projects without additional legislative authority. AIDEA estimates that it will be able to implement the program with a minor modification to its regulations, which will be contracted out and performed during FY2015.
