#### CS FOR HOUSE BILL NO. 230()

# IN THE LEGISLATURE OF THE STATE OF ALASKA

### TWENTY-EIGHTH LEGISLATURE - SECOND SESSION

BY

Offered: Referred:

Sponsor(s): REPRESENTATIVES SEATON, Gara, Thompson

### A BILL

### FOR AN ACT ENTITLED

"An Act allowing the Alaska Industrial Development and Export Authority to issue
 bonds for an oil or gas processing facility; providing a tax credit for the construction or
 improvement of an oil or gas processing facility; and creating the oil and gas
 infrastructure fund to finance construction or improvement of an oil or gas processing
 facility."

## BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF ALASKA:

\* **Section 1.** The uncodified law of the State of Alaska is amended by adding a new section to read:

FINDINGS. The legislature finds that

10

6

7

8

9

(1) it is in the long-term best interest of the state to increase oil production;

(2) small producers find it difficult to access existing oil and gas processing
facilities, which could be detrimental to the goal of increasing production;

13

(3) one small oil company has reached the point of oil production but, because

of the lack of available oil and gas facilities, is unable to process oil and ship the oil through
 the pipeline;

(4) near-term investment of \$200,000,000 in oil and gas processing facilities would for allow new production from new fields to enter the pipeline;

(5) the prohibition on the issuance of bonds of the Alaska Industrial Development and Export Authority in an amount exceeding \$400,000,000 does not provide flexibility for participation in project financing;

(6) removing that limit on bonding authority for processing facilities and other infrastructure would allow small companies that do not have capital to finance oil and gas processing facilities to move more oil from new fields;

(7) the Alaska Industrial Development and Export Authority has sufficient expertise to control risk in the state's participation in oil and gas processing facilities; and

(8) participation by the Alaska Industrial Development and Export Authority in a large oil or gas processing facility project over a 10-year period would bring more income to the state than the typical short-term investment in the low-interest-rate environment.
\* Sec. 2. AS 43.20 is amended by adding a new section to article 1 to read:

**Sec. 43.20.052. Oil or gas processing facility tax credit.** (a) A taxpayer may apply a credit against the tax due under this chapter for an expenditure for the construction or improvement of an oil or gas processing facility on the North Slope or flow lines and other surface infrastructure for the facility.

(b) A taxpayer may not apply a combined total of more than \$10,000,000 in tax credits under this section and AS 43.20.049 in a tax year. A tax credit or portion of a tax credit under this section may not be used to reduce the taxpayer's tax liability under this chapter below zero. Any unused tax credit or portion of a tax credit under this section may be applied in later tax years, except that any unused tax credit or portion of a tax credit may not be carried forward for more than five tax years immediately following the tax year in which the expenditures for the construction or improvement of an oil processing facility were incurred.

(c) An expenditure that is the basis of the credit under this section may not be the basis for

(1) a deduction against the tax levied under this chapter;

CSHB 230( )

(2) a credit or deduction under another provision of this title; or 1 2 (3) any federal credit claimed under this title. 3 (d) Notwithstanding any contrary provision of AS 40.25.100(a) or 4 AS 43.05.230(e), for a year that three or more taxpayers claim a tax credit under this 5 section, the department may publish the aggregated amount of tax credits claimed under this section and a description of the qualified oil and gas service industry 6 7 expenditures that were the basis for a tax credit under this section. 8 (e) In this section, 9 (1) "North Slope" means that area of the state lying north of 68 degrees 10 North latitude; "oil or gas processing facility" has the meaning given in 11 (2)AS 44.88.168. 12 \* Sec. 3. AS 44.88.095(g) is amended to read: 13 14 (g) The authority may issue bonds in an amount greater than \$10,000,000 to 15 assist in the financing of an oil or gas processing facility under AS 44.88.168 or a 16 development project under AS 44.88.172 - 44.88.177 only if approved by law, 17 excluding refunding bonds. Refunding bonds may be issued without further approval 18 by law in a principal amount sufficient to provide funds for the payment of all bonds 19 to be refunded by them and, in addition, for the payment of all other amounts that the 20 authority considers appropriate in connection with the refunding, including expenses 21 incident to the redeeming, calling, retiring, or paying of the outstanding bonds, the 22 funding of reserves, and the issuance of the refunding bonds. 23 \* Sec. 4. AS 44.88.140(a) is amended to read: 24 (a) Except as provided in AS 29.45.030(a)(1) and AS 44.88.168, the real and personal property of the authority and its assets, income, and receipts are declared to 25 26 be the property of a political subdivision of the state and, together with any project or 27 development project financed under AS 44.88.155 - 44.88.159 or 44.88.172 -28 44.88.177, and a leasehold interest created in a project or development project financed under AS 44.88.155 - 44.88.159 or 44.88.172 - 44.88.177, devoted to an 29 30 essential public and governmental function and purpose, and the property, assets, 31 income, receipts, project, development project, and leasehold interests shall be exempt

from all taxes and special assessments of the state or a political subdivision of the state, including, without limitation, all boroughs, cities, municipalities, school districts, public utility districts, and other taxing units. All bonds of the authority are declared to be issued by a political subdivision of the state and for an essential public and governmental purpose and to be a public instrumentality, and the bonds, and the interest on them, the income from them and the transfer of the bonds, and all assets, income, and receipts pledged to pay or secure the payments of the bonds, or interest on them, shall at all times be exempt from taxation by or under the authority of the state, except for inheritance and estate taxes and taxes on transfers by or in contemplation of death. Nothing in this section affects or limits an exemption from license fees, property taxes, or excise, income, or any other taxes, provided under any other law, nor does it create a tax exemption with respect to the interest of any business enterprise or other person, other than the authority, in any property, assets, income, receipts, project, development project, or lease whether or not financed under this chapter. By January 10 of each year, the authority shall submit to the governor a report describing the nature and extent of the tax exemption of the property, assets, income, receipts, project, development project, and leasehold interests of the authority under this section. The authority shall notify the legislature that the report is available.

\* Sec. 5. AS 44.88 is amended by adding a new section to read:

**Sec. 44.88.168. Oil and gas infrastructure fund.** (a) The oil and gas infrastructure fund is established in the authority. The oil and gas infrastructure fund consists of money appropriated to the authority for deposit in the fund, and money deposited in the fund by the authority. The fund is not an account in the revolving loan fund established in AS 44.88.060, and the authority shall account for the fund separately from the revolving fund. Money in the fund may be used to finance the construction and improvement of an oil or gas processing facility on the North Slope and flow lines and other surface infrastructure for the facility.

(b) Notwithstanding AS 44.88.140, the state or a political subdivision of the state may levy a tax or special assessment on an oil or gas processing facility, flow lines, and other surface infrastructure for the facility financed by the oil and gas infrastructure fund.

(c) In this section,

(1) "North Slope" means that area of the state lying north of 68 degrees North latitude;

(2) "oil or gas processing facility" means a project that is a facility that separates and cleans crude oil or natural gas by separating impurities to make the product suitable for transport through a pipeline or a facility that chemically converts natural gas to a liquid form; "oil or gas processing facility" does not include a facility that uses phase conversion of natural gas to liquid form.

\* Sec. 6. The uncodified law of the State of Alaska is amended by adding a new section to read:

LEGISLATIVE APPROVAL; NORTH SLOPE OIL OR GAS PROCESSING FACILITY. (a) The Alaska Industrial Development and Export Authority may issue bonds to finance the construction and improvement of an oil or gas processing facility on the Alaska North Slope and flow lines and other surface infrastructure for the facility. The processing facility, flow lines, and other surface infrastructure for the facility shall be used to secure bonds issued under this section. The principal amount of the bonds provided by the authority for the facility, flow lines, and other surface infrastructure may not exceed \$200,000,000 and may include the costs of funding reserves and other costs of issuing the bonds that the authority considers reasonable and appropriate. Notwithstanding AS 44.88.140, an oil or gas processing facility, flow lines, and other surface infrastructure for the facility constructed or financed by the oil and gas infrastructure fund (AS 44.88.168) are subject to taxes and special assessments of the state or a political subdivision of the state.

(b) This section constitutes the legislative approval required by AS 44.88.095(g).

(c) The prohibition on the issuance of bonds in an amount exceeding \$400,000,000 under AS 44.88.095 does not apply to bonds issued under this section, and the principal amount of bonds issued under this section may not be considered in determining whether the limit in AS 44.88.095 has been reached.
