FISCAL NOTE ANALYSIS

**STATE OF ALASKA
2014 LEGISLATIVE SESSION**

BILL NO. SB 136

Analysis

This bill requires law enforcement agencies to adopt procedures for the use of unmanned aircraft systems (UAS) and specifies the minimum requirements those procedures must contain, provides that a law enforcement agency may use a UAS in a criminal investigation under the terms of a search warrant or in an instance where there is an allowable exception to a search warrant, and specifies the circumstances under which images captured by a UAS may be retained.

The Department of Public Safety (DPS) would address procedures for the department's use of UAS in its Operating Procedures Manual. The other provisions of the bill address procedural issues related to the use of UAS by law enforcement agencies. Passage of this bill would have no fiscal impact to DPS.
