FISCAL NOTE ANALYSIS

STATE OF ALASKA
2014 LEGISLATIVE SESSION

BILL NO. SB 177

Analysis

This bill requires registration and marking of new tower structures that are greater than 100 feet in height above the ground level and requirements for registration of new towers that are greater than 50 feet in height above ground level.

The Division of Enterprise Technology, State of Alaska Telecommunication System (SATS) existing towers are exempt from the requirement to mark, but will be required to register each towers that meet the criteria within 45 days after the effective date of this act. This requirement will be met using existing resources and therefore submits a zero fiscal note.
