**FISCAL NOTE ANALYSIS**

**BILL NO. SB 187** \_\_\_\_\_

**Analysis**

This legislation amends the endangering the welfare of a child statute to prohibit a person from committing a homicide, assault, or sexual assault against a household member in the presence of a child under the age of 16. Violation of this section of statute is a class A misdemeanor.

It also prohibits the publication or distribution of an audio or video recording of a child's interview for a criminal or child protection investigation unless the distribution has been directed by a court order, court rule, or by state or federal law. Violation of this section of statute is misconduct involving confidential information in the first degree and is a class A misdemeanor.

Class A misdemeanors are punishable by a term of imprisonment of not more than one year. At the current daily cost of care the Department could see an impact ranging from \$0.0 (no time served) to \$57,914.6 (for a one year sentence) for each offender convicted under this legislation.

The Department will continue to monitor the potential future impacts of this legislation.
