FISCAL NOTE ANALYSIS

STATE OF ALASKA
2014 LEGISLATIVE SESSION

BILL NO. HB263

Analysis

This program supports the DHSS Priority 1: Health and Wellness across the lifespan; Core Service 1.2: Provide quality of life in a safe living environment for Alaskans by providing on-going assistance to low-income seniors so they can remain independent in their communities.

The regulation change required is the repeal and reenactment of AAC 47.545. This section currently establishes June 30, 2015 as the end date for applicability of the Senior Benefits Payment Program regulations. The repeal and reenactment of this particular section, extending applicability to June 30, 2021, would need to occur prior to June 30, 2015.

Analysis:

The Senior Benefits Payment Program helps low income seniors who are age 65 or older remain independent in the community by providing a monthly income supplement to help meet their basic needs, such as food and housing. Currently the program is set to expire on June 30, 2015. This legislation continues the program through June 30, 2021. As of December 2013, the current program enrollment was 10,954. The number and percent of seniors at each payment level was:

- * \$250 - 1,288 (11.8%)
- * \$175 - 4,594 (41.9%)
- * \$125 - 5,072 (46.3%)

Assumptions:

- Current staffing levels for the program will be maintained.
- Annual expenditures for Personal Services, Travel, Contractual, and Supplies will remain constant for FY 2015 through FY 2021.
- Annual grant expenditures are expected to increase in response to a projected caseload growth of 2.8% annually in the out years.
