FISCAL NOTE ANALYSIS

STATE OF ALASKA
2014 LEGISLATIVE SESSION

BILL NO. HB306

Analysis

HB306 repeals certain statutes authorizing indirect expenditures, including the education tax credit and the tax credit for gifts to the Alaska Fire Standards Council. The education tax credit (AS 21.96.070) and the tax credit for gifts to the Alaska Fire Standards Council (AS 21.96.075) have generated premium tax credits totaling between \$250,000 to \$450,000 over the past five years.

The fiscal impact of this legislation cannot be accurately determined at this time, as changes in revenue are uncertain as a result of repealing the tax credits.
