

## SB 190 Summary of Changes

**“An act permitting a guide-outfitter to delegate certain guide services to a person who is not licensed by the Big Game Commercial Services Board.”**

The changes from SB190, version A to SB 190, version U are as follows:

Section 1 (a), page 1, lines 5-9:

- Lines 5-7, the verbiage was reworded and lines 8 and 9 were deleted because this is already included in AS 08.54.790 (9)(c) ‘Definitions’ section.

Section 1(b), page 1, lines 10-14 & continuing on page 2, lines 1-2, the verbiage was reworded to insure the legislation wasn’t allowing unlicensed personnel more authority than the licensed personnel.

Those are the only changes from SB190, version A to SB 190, version U.
