FISCAL NOTE ANALYSIS

STATE OF ALASKA
2014 LEGISLATIVE SESSION

BILL NO. CS HB278 (EDC)

Analysis

The Technical and Vocational Education Fund authorized under AS 23.15.840 sunsets on June 30, 2014. CS House Bill 278 extends the current Technical and Vocational Education program (TVEP) through June 30, 2024. Out-year cost estimates are based on the CS and will be revised on an annual basis based on the balance of the fund.

TVEP funding has been instrumental in UA's ability to meet Alaska's workforce training and educational needs and continues to be the key source of funds for that purpose. The UA System office of Workforce Programs works with representatives from the UA campuses and the Alaska Workforce Investment Board to identify state priority industry sectors and high-demand jobs, including regional priorities for occupational training programs. The campuses submit proposals based on the identified needs, and funding is distributed to the highest priority programs.

This CS reduces the total University of Alaska TVEP percentage from 45% University of Alaska and 5% University of Alaska Southeast (50% total) to 42% University of Alaska and 5% University of Alaska Southeast (47% total).
