3.3.2014*

March 3, 2014

Dear Representative Mike Hawker:

Kenai River Sportfishing Association requests sanctioning by the Alaska Legislative Council for the following three educational events in 2014:

1. Kenai River Jr. Classic – August 12;
2. Kenai River Classic – August 20, 21, and 22; and
3. Kenai River Women's Classic – September 11, 12 and 13.

These events are educational opportunities to promote the sustainability of the Kenai River as a world class fishery and why it is important to care about this resource. Proceeds of these events go to KRSA, a 501 c 3 charitable non-profit organization.

KRSA then uses these funds for fishery and habitat conservation, research and education programs. KRSA also uses these funds to support educational programs through many community partnerships, including those with the JBER, the Boy Scouts, the Girl Scouts, Caring for the Kenai, CPH Safe Kids program and other such groups.

Please contact me at your earliest convenience if there is any other information regarding these events at the KRSA office – (907)262-8588.

Thank you for your time and consideration of this request.

Sincerely,

Ricky Gease

Re: Charity Event Request

Dear Representative Hawker:

The Friends of the Library, an Alaska non-profit representing supporters of Anchorage Public Libraries, is holding its annual fund-raising event this month. "Beyond the Stacks" is an evening of live and silent auctions, fine food, and fun competition among our celebrity waiters. The event is at the Anchorage Hilton Friday, March 28, just prior to National Library Week with a 6 p.m. social hour followed by dinner at 7 p.m.

"Beyond the Stacks" live auction items include a ride in a WWII trainer aircraft, fine art, travel around Alaska and to Nevada, and a 1915-era catered dinner in the Loussac Library's Alaska Collection in honor of Anchorage's centennial. Silent auction items range from wine to jewelry to rare books. Tickets are \$60 per person, \$100 for two persons, \$250 for patron sponsors, \$800 for corporate sponsors, and \$500 for book clubs. For more information, please contact our events committee at (907) 343-2952, or aplfol@gmail.com.

Friends of the Library raises funds to support programs and buy materials for the five Anchorage municipal library branches. We are a 501(c)3 organization. Our federal tax ID number is 92-0110295.

Under AS 24.60.080(a)(2)(B), Friends of the Library requests charity event approval of the Legislative Affairs Council for this event. Thank you for your consideration.

Sincerely,

Brooks Chandler
President, Friends of the Library

I regret to report that after 50 years of parodizing the Alaska State Legislature, many Staff of the Capitol Building fear there is little to no new material, Legislators, or issues in existence to possibly make fun of any further. Ergo, it may not be necessary for us to pursue the regular procedure of humbly requesting sanction by the Legislative Council due to a possible lack of a 51st annual Legislative Skits event.

However, with the possibility, albeit remote, that the coming weeks present political events or persons that are viewed as being worthy of our satire, we felt it wise to go ahead and seek Legislative Council *sanctioned event* status to cover our donkies just in case.

After all it is a long-standing tradition to have such a legislative roast. Unfortunately all we've got so far is an updated rendition of a "Who's On First" style skit involving the Speaker's and Senate President's gavels. That's it. But our records show that that style of skit has already been presented four times, in 1967, 1976, 1984, and 1999, so it has probably run its course. Someone proposed using a sheet and silhouettes to portray how bills really get passed, but evidently that was already done too and flopped.

In any event, if we do manage to compile enough material to produce a show, we felt that April 5, 2014, at 7:00 PM at the Centennial would be a good time and location to pull it off.

After costs, all proceeds are donated to Alaska 501(c)(3) charities. This year's proceeds would again go to Big Brothers/Big Sisters [IRS 501(c)(3)Tax ID: 80-0064172]; The Association for the Education of Young Children - Southeast Alaska chapter [AEYC, IRS 501(c)(3)Tax ID: 92-0118896]; and AWARE (Aiding Women in Abuse & Rape Emergencies, IRS 501(c)(3)Tax ID: 92-0064944).

Thank you for your consideration.

Re: Request for Charity Event Approval

Dear Rep. Hawker:

Juneau Arts & Humanities Council, an Alaska non-profit corporation, is offering a wine tasting on Tuesday, April 8, 2014 at 5 pm to help support the Juneau Arts and Culture Center.

The "JACC," as it is known, serves as a busy community center used by organizations and individuals for concerts, trade shows, weddings, skate practice, receptions, and all manner of public and private events. The facility is a retired National Guard Armory that the Council manages and supports.

The wine tasting includes live music by local musician Tom Locher, and refreshments by The Breeze-In. Local artists have created recycled wine bottle art pieces for sale or donation, and there will be special 40th Anniversary logo Reidel stemware available in celebration of the Juneau Arts & Humanities Council's 40th Anniversary this year. Wines are presented by Specialty Imports, and Anchorage based company that supports the arts.

Pursuant to AS 24.60.080(a)(2)(B), the Juneau Arts and Humanities Council requests charity event approval of the Legislative Council for this tasting, which will be held at the JACC.

Thank you for your consideration of this request.

Sincerely,

Nancy DeCherney

Dear Representative Hawker:

The Outdoor Heritage Foundation of Alaska (OHFA) will once again be holding its major fund-raiser, the Midnight Sun Charity Shoot on May 17, 2014. The Charity Shoot is not only a fund-raiser, but also an chance for major sponsors and state leaders to learn more about OHFA's education and conservation programs.

The OHFA is a 501(c)(3) non-profit and conducts education programs in support of the Alaska Department of Fish and Game, as well as general conservation initiatives. We are already well know for our programs such as Becoming an Outdoors-Woman, Outdoor Youth Days, National Archery in the Schools program and our Youth Shooting League. Due to the Charity Shoot and other fundraising endeavors, we have began growing an endowment account for the foundation which will some day supply a sustainable source of program funding.

In order to fulfill our role as the Alaska Department of Fish & Game's official foundation we have also started supporting other programs in the Department such as the Conference on North American Moose in late April at the Alyeska Hotel in Girdwood where OHFA will be the sponsor host of the conference.

With all that in mind, we are once again asking that the Legislative Council sanction this event to assist us in our fundraising endeavors. As the leading provider of healthy outdoor education programs in Alaska, we hope you and your colleagues will join this year's effort and help us "Leave No Child Inside".

Thank you for your time and consideration on our request.

Sincerely,
