Explanation of Changes For House Bill 302

Changes from HB 302 version U to CSHB 302 version N

“An Act relating to the rules of professional conduct for the profession of public accounting.”

Title Change – The title was changed in the CS for HB 302 version N to reflect the refined focus on the rules of professional conduct for the public accounting profession, specifically, adoption of rules. In the original bill, HB 302 ver U, AS 08.04.680(15) was amended to include statutory language clarification.

Section 1 in CSHB 302 ver N amends **AS 08.04.080** to allow notice of adoption of rules to be **30** days instead of the 60 days to be aligned with the Division guidelines. In the original bill, HB 302 ver U, this section was repealed.
