## FISCAL NOTE ANALYSIS

STATE OF ALASKA  
2014 LEGISLATIVE SESSION

BILL NO. HB 189

### Analysis

The bill requires school districts to adopt policies that would prohibit hazing of students. It also allows the state to assist school districts in developing materials to prevent hazing.

The bill adopts a new crime that prohibits hazing – by prohibiting a person from acting or causing a situation that subjects the student to a risk of physical injury for the purpose of initiation or affiliation with an organization that operates in connection with a school. The penalty would be a class A misdemeanor if physical harm occurs to a student, or a class B felony if a student dies.

The fiscal impact on the Department of Law is indeterminate because the number of cases arising under the new law cannot be estimated.
