The Honorable Kurt Olson  
Alaska State Legislature  
State Capital  
Juneau, AK 998-01-1182

Subject: House Bill 141, Amendments to the Alaska Workman's Compensation Act

Dear Representative Olson:

The purpose of this correspondence is to provide a written record of the City of Kenai's support and appreciation for your sponsorship of the above referenced legislation.

The City of Kenai, as are other municipal and private businesses, is burdened with workman's compensation insurance premiums that are the highest in the United States. Efforts to lower workman's compensation premiums, is not only appreciated but, serves to make Alaskan companies more competitive with non-Alaskan companies.

Thank you for your leadership on this important issue.

Sincerely,

CITY OF KENAI

  
Pat Porter  
Mayor
