Relating to an amendment to the Constitution of the United States which would require that total federal appropriations not exceed total estimated federal revenues in a fiscal year in the absence of a national emergency.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF ALASKA:

WHEREAS annually the United States moves more deeply into debt as its expenditures exceed its available revenues and the public debt now exceeds hundreds of billions of dollars; and

WHEREAS annually the federal budget demonstrates the unwillingness or inability of the federal government to spend in conformity with available revenues; and

WHEREAS proper planning, fiscal prudence, and plain good sense require that the federal budget be in balance absent national emergency; and

WHEREAS a continuously unbalanced federal budget except in a national emergency causes continuous and damaging inflation and consequently a severe threat to the political and economic stability of the United States; and

WHEREAS, under Article V of the Constitution of the United States, amendments to the Constitution may be proposed by Congress or, on the application of the legislatures of two-thirds of the states, Congress shall call a constitutional convention for the purpose of proposing amendments;

BE IT RESOLVED by the Alaska State Legislature that the Congress of the United States is requested to propose and submit to the states an amendment to the Constitution of the United States which would require that within four years after its ratification by the various states, in the absence of a national emergency, the total of all appropriations made by Congress for a fiscal year shall not exceed the total of all estimated federal revenues for that fiscal year; and be it

WHERE COMPETITIVE BIDS ARE REQUIRED AND WHERE ALL BIDS ARE REJECTED, NEW BIDS SHALL BE CALLED FOR AS IN THE FIRST INSTANCE]. Before the awarding of a contract for a building or the making of repairs upon a building, the department shall see that the bids conform with plans and specifications approved by the Department of Transportation and Public Facilities. All bids with the names of the bidders and the amounts of the bids, together with all documents pertaining to the award of a contract, shall be made a part of a file or record and retained by the department for three years, unless reproduced by microfilming and these files or records are open to public inspection at all reasonable times. An aggrieved bidder may within five days after an award of contract appeal to the department for hearing, with notice to interested parties, for redetermination and final award in accordance with law.

(b) A contract for professional services shall be awarded in accordance with AS 24.23 or AS 36.98.

* Sec. 10. AS 44.71.010 is amended by adding a new subsection to read:

* Sec. 11. This Act applies to requests for bids or proposals for professional services issued after the effective date of this Act.

* Sec. 12. This Act takes effect immediately in accordance with AS 01.10.070(c).

FURTHER RESOLVED that, alternatively, this body makes application and requests that the Congress of the United States call a convention for the sole and exclusive purpose of proposing an amendment to the Constitution of the United States which would require that, in the absence of a national emergency, the total of all appropriations made by Congress for a fiscal year shall not exceed the total of all estimated federal revenues for that fiscal year; and be it

FURTHER RESOLVED that if Congress proposes such an amendment to the Constitution this application shall no longer be of any force or effect; and be it

FURTHER RESOLVED that this application and request shall no longer be of any force or effect if the convention is not limited to the exclusive purpose specified by this resolution.
