FISCAL NOTE ANALYSIS

STATE OF ALASKA
2014 LEGISLATIVE SESSION

BILL NO. SB 129

Analysis

SB129 extends the existing Board of Certified Real Estate Appraisers (BCRA) through June 30, 2018. Adoption of the bill will continue existing activities by the board. Failure to adopt the bill will result in a one-year wind-down of the board, and the division will assume all licensing responsibility in FY2016 under AS 08.03.020.

Extension of the BCRA will require travel for board members and one staff to attend four board meetings per year and for board member participation in an annual out of state professional conference (\$6.2). Service costs include conference registrations (\$1.0) and advertising of board meetings (\$0.2). These estimated costs are based on the average board specific direct charges to this program over the previous biennium licensing cycle.

If the BCRA is not extended, Real Estate Appraiser licensing will continue under the direction of the division, rather than the board. Costs associated with licensing the profession will continue to be incurred by the division including license examiners, investigations, legal, supplies, and allocated administrative support services. These on-going licensing costs are not reflected in this fiscal note because their incurrence is not impacted by the legislation.

Below is a summary of the BCRA's revenues, expenditures , and carry forward balance:

FY12-FY13 Biennium Data:

Board's revenues: \$312,138

Board's expenditures: \$272,658

Biennium Surplus/(Deficit): \$39,480

Ending Cumulative Surplus/(Deficit): \$57,302

FY08-FY11 Data

In each biennium between FY08 and FY11, regulatory costs exceeded revenue. The deficit for the FY08/FY09 biennium was \$28,904 (264 licensees) and the FY10/FY11 deficit was \$83,843 (243 licensees).

The number of licensees increased in the FY12/FY13 biennium to 283 licensees. Fees have been set to be consistent with statute language regarding cost recovery for this board.
